Dear Parent/Guardian:

Section 9528 of the No Child Left Behind Act concerns Armed Forces Recruiter Access to Students and Student Information. This law requires any school receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide students' names, addresses, and telephone listings to military recruiters when requested.

If you wish to have your son or daughter opt out of Section 9528, please indicate by signing on the line below and returning this form to the Hoosac Valley main office. If the form is not returned signed, your child's information will be made available to all military recruiters who request it.

Please remove my child's name, _____, from the list made available to military recruiters under Section 9528 of the No Child Left Behind Act.
